

2002 Annual Report Executive Summary

Griggs-Steele County Empowerment Zone

FY 2002 for the Griggs-Steele Empowerment Zone (GSEZ) has been a very productive year in regards to community development. We've managed to create new programs and sustain the existing programs for the Zone. To date roughly \$5,000,000 has been distributed in the zone communities through our grant, loan, and equity programs. More importantly, the GSEZ continues to strengthen its communication bridge with the Zone communities providing them with necessary information, resources, and programs to carry out our mission.
